

Pre-registration Evening

4th September 2008

Flame Health, in association with CLEARVIEW Training, invites you to attend an informal training event at their central Nottingham offices on **Thursday the 4th of September**. This event is aimed at Pre-Registration Optometrists and will consist of two presentations throughout the course of the evening.

The first presentation is called "**The Way Forward**" and is given by **David Gilbert**, Flame Health's Training & Development manager who has over six years experience of placing Optical professionals throughout the UK. It consists of advice and overviews of the current employment marketplace, interview techniques and job roles within the sector including salary advice.

The second presentation is given by **Jane Macnaughton MCOptom** who is a College of Optometrists Examiner, Visiting Lecturer at City University and will focus on trainee's preparation for the **Routine Exam**.
